

### A Message from Our Administrator

*Pumas Families, We have entered the 4<sup>th</sup> quarter of our school year, and it promises to be both busy and exciting! We truly appreciate all the support we receive from our families and community and it is this continued partnership that will ensure our students have a successful end of the year. I encourage you to stay in contact with your child's teachers and reach out to our school office if we can support you in any way. Time to finish strong, Pumas!*

### SIGNATURE SCHOOL HIGHLIGHTS

Students are continuing to utilize ZSpace in Ms. Benson's Service Learning class. Recently fifth graders have been using the 3-D program to dissect and study the human heart.

### GRADE LEVEL HIGHLIGHTS

We want to congratulate our students who participated in the district math challenge. The students had an awesome time working collaboratively with their peers to answer challenging math questions.

### TECHNOLOGY INTEGRATION

Please talk with your child about taking care of their laptop and charger. There are only a couple months before the end of school when computers need to be turned in and have a final check for damages.

### STUDENT AGENCY

Our job is not to prepare students for something. Our job is to prepare students for anything.

—A.J. Juliani

### CHARACTER DEVELOPMENT

All Things E.Q. topics in March

- I adapt and make the most of change.
- I look for solutions, not blame.
- I am willing to make things better.

### SAFETY

Please make sure that your child is drinking water as they prepare for the day, as the temperatures outside are on the rise.

### MYD

You may have seen a MYD Parent Communication Form come home. This is just another way to communicate how your child's day went. Please make sure to sign and return the slip the next day after talking with your child.

### PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for this year's PBLs.

### UPCOMING DATES

- 4/5-4/29 AASA State Assessment 4/15-18 No School Spring Recess
- 4/12 Governing Board Meeting 4/22 Qtr. 4 Progress Reports
