

A Message from Our Administrator

Puma Families,

Happy New Year! I hope each of you had a wonderful and relaxing winter break. We are excited to be back and we look forward to all the amazing opportunities in store for us in the second semester. Pumas, let's make 2022 the best year ever!

SIGNATURE SCHOOL HIGHLIGHTS

In December, middle school students presented their Technology in Service Learning projects. Classes also got to speak with a Cactus High School student via Zoom who spoke with students about dual enrollment in the Public Service program at WestMec. Third-graders read and gifted their Police are Heros booklets to our Kinders. Our 3rd and 4th- graders wrapped up their First Aid Training for the quarter, as 5th grade completed their lessons on Criminal Justice.

GRADE LEVEL HIGHLIGHTS

We are so proud of our student's growth in the Dream Box platform. 7th grade especially is averaging an impressive 10+ lessons a week.

TECHNOLOGY INTEGRATION

Every computer has been checked and inspected before the winter break. Please maintain and care for your laptop during the two weeks off so we are ready for class as soon as

STUDENT AGENCY

We are half way through the school year and in January we all could use some perseverance. Perseverance is part of student agency that helps students overcome obstacles to achieve goals.

CHARACTER DEVELOPMENT

All Things EQ topics for January

- I bring effort to everything I do
- I work through confusion
- I make enough time for work, sleep and free time

SAFETY

As we return to school in the new year it is important that we wash our hands regularly and stay home if you are sick. Thank you for keeping those around you healthy and safe.

MYD

Reflecting on the semester, Tres Rios students have many things to celebrate. Thank you all for making your day and not interfering with the learning safety and wellbeing of others. Let us continue this success into 2022.

PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for This year's PBLs.
