

A MESSAGE FROM OUR PRINCIPAL

March is here! This 2nd semester has been full of lots of learning and monitoring progress towards our end of year goals for our students and school. We have another opportunity to partner in supporting our Pumas to meet their individual learning goals during our parent/teacher conferences, as we seek to meet with 100% of our families. Lets partner in finishing up the year strong! Thank you for your continued support!

SIGNATURE SCHOOL HIGHLIGHTS

We would like to give a big shoutout to all the people that helped with our Digital Learning Day. We were able to show off our detective skills to our guests as Ms. Benson walked her students through a virtual crime scene on our ZSpace platform.

GRADE LEVEL HIGHLIGHTS

March 20th is the start of the state testing for science, AzSCI. All 5th and 8th graders will be taking part in a one day testing session that will be online. Please make sure you r student’s lap-top and headphones are ready. Student can even practice at home on their laptops with the link below. We know our Pumas will be great.!

CHARACTER DEVELOPMENT

All Things EQ topics for March

- I exercise my brain each day
- I adapt and make the most of change
- I look for solutions not blame

SAFETY

As the weather is staying cool we have a lot more students getting rides to school and not walking or biking to school. Please take your time and use patience with morning drop-off and afternoon pick-up. We want to keep all students safe as we get traffic in and out of school.

MYD

We are looking at the two E’s this month Earn and Expectations. Make your day focuses on students earning points throughout the day by following expectations to make their day. Students will be refocusing on the 2 E’s.

PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for This year’s PBLs.
