

A Message from Our Administrator

Puma Families, It doesn't seem possible that we are entering the final month of the 2021-2022 school year. This year has afforded us the opportunity for great growth and achievement along with amazing memories that we hope students take with them. Thank you to our Puma community for your continued support!

SIGNATURE SCHOOL HIGHLIGHTS

Students in our younger grades have enjoyed learning about the roles of police and firefighters. Our older grades have continued to work on criminal justice, with a focus on law, detective work, and forensics of real cases.

GRADE LEVEL HIGHLIGHTS

We are so proud of our student's growth in the DreamBox platform. We are so close to our yearly goal of 85% growth! Keep working Puma and we will reach our goal.

TECHNOLOGY INTEGRATION

Laptops are staying at school for the remainder of the year to help reduce the number of damages for the last month of the year. Please take care of the devices so we can ensure the next school year can start with clean functioning computers for all.

STUDENT AGENCY

Although you can't go back and make a brand-new start, you can start from now and make a brand new ending.

-Carl Bard

CHARACTER DEVELOPMENT

All Things EQ topics for May

- I seek solutions
- I am someone people can count on
- I lean more by truly listening to others

SAFETY

The summer days are starting to show up. Sunburn affects your body's ability to cool itself and causes a loss of body fluids. It also causes pain and damages the skin.

If you must go outdoors, protect yourself from the sun by wearing a wide-brimmed hat (also keeps you cooler) along with sunglasses, and by putting on sunscreen of SPF 15 or higher.

MYD

As the year comes to an end we need to make sure that we continue to follow expectation and the school rule.

Continue to make your day and finish the year strong.

PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for This year's PBLs.

UPCOMING DATES
