

### A Message from Our Administrator

Puma Families,

As we move into the month of November, I want to take this opportunity to pause, reflect, and share my genuine gratitude for our Tres Rios community. Thank you for your unwavering support and partnership. We are truly fortunate to have stakeholders who are committed to our students' success. I can never say this enough, we appreciate all that you do!

### SIGNATURE SCHOOL HIGHLIGHTS

We would like to introduce our new Service Learning teacher, Ms. Ingrid Benson. We are so thankful to have Ms. Benson move from technology over to her new service position. We look forward to the wonderful and innovative ideas Ms. Benson will bring to our Service Learning classroom.

### GRADE LEVEL HIGHLIGHTS

We are so proud of all the grade levels for their commitment to our school growth goal in our math intervention platform, DreamBox. So far we have a 20% growth across our campus. Keep up the great work.

### TECHNOLOGY INTEGRATION

If your child is sick and unable to return to school for an extended period of time, please utilize the online Google platform with your child's teacher to continue work and participation online.

### STUDENT AGENCY

"The kids that make it, it isn't because we reduced, mitigated, or eliminated the risk in their lives. It's because we included hope." Rick Miller

### CHARACTER DEVELOPMENT

All Things E.Q. November topics.

I steer clear of gossip.

Learn from others rather than compare yourself to others.

### SAFETY

You may have noticed there is a lot of construction going up around school. Be on the lookout for school zone signals and ALWAYS obey the speed limits. When entering a school zone, be sure to slow down and obey all traffic laws.

### MYD

Resetting expectations is something students hear often. As kids grow and mature, so do learning expectations. What is okay on the first day of first grade isn't okay in February. Growing in learning means meeting new expectations as well. This holds true both academically and behaviorally.

### PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for this year's PBLs.

### UPCOMING DATES

- 11/9- Governing Board Meeting @ 6pm
- 11/11- 11/12 No School Veterans Day    11/19 Dollar Dress Down
